# HAPPY NEW YEAR!

## THANKS FOR A GREAT 2025

**As we reflect on 2025**, we want to extend our heartfelt thanks to the contributors who make the Wellston Center's mission possible. Your generosity, time, and continued belief in our work have played a vital role in strengthening our community throughout the year.

Because of your support, the Wellston Center was able to serve and support hundreds of families in 2025 by providing essential resources, stability, and hope during times of need. One of the highlights of the year was our annual **Christmas Club**. The event was a great success through overwhelming community generosity which allowed about 240 families to experience an extra meaningful Christmas.

In November, reductions to SNAP benefits led to an increase in visits to our food pantry.

**Many supporters stepped up** during this time to help cover the additional need, allowing us to continue serving families without interruption and ensuring that no one was turned away.

We are **grateful for your commitment and trust**, and we look forward to continuing this work together in the year ahead. Thank you for being an essential part of the Wellston Center and for helping us make a meaningful difference in the lives of so many.

## New Hours!

For 2026, St. Augustine Wellston Center is adjusting its weekly hours of operation. The Center is now open on Tuesday, Wednesday, Friday, and Saturday from **8:00 AM to 12:00 PM (noon) every week.** *(See online calendar for specific closures.)* Both the Food Pantry and Thrift Store will share these operating hours.

Having the Food Pantry and Thrift Store operate on the same consistent schedule helps reduce confusion and makes it easier for families and volunteers to plan their visits. This simplified approach allows the Wellston Center to focus more time and energy on serving the community during open hours.

Visit **wellstoncenter.org** for specific closures or events that may alter hours of operation.

# EVENTS COMING IN 2026

**Looking ahead in 2026**, we are excited to offer new and returning opportunities for our community to get involved with the Wellston Center. **For this spring season**, we are planning a Trivia Night fundraiser designed to bring supporters together for an evening of fun, friendly competition, and meaningful impact. Stay tuned for details in the coming months.

**In the fall**, plans are brewing for a gala-style fundraising event that will celebrate our mission while raising support for the work we do throughout the year. Stay tuned!

**Alongside these new events**, we remain committed to hosting our long-standing annual programs such as Christmas Club and Thanksgiving, which provide essential support and joy to families during the holiday season. We invite our supporters to stay connected, participate, and help make 2026 another impactful year for the Wellston community.

Serving the **63133, 63120, 63121, and 63112**  
ZIP Codes.

One week of food,  
per person, each month.

## **We Provide**

Each person in a family receives a weeks worth of food.

Guests receive non-perishable and shelf-stable goods, along with frozen meat, cheese, eggs, milk, cured meats, bread, produce, and some household cleaners like detergent.

## **About**

We serve an area with some of the highest rates of food insecurity in Missouri.

The US Census estimates around 25% of residents in our ZIP Codes of service are food insecure.

Local organizations estimate the rate may be closer to 33%.

10,000 homes are food insecure; our goal is to reach as many of these families as possible.
