CELEBRATE THE SPIRIT OF CHRISTMAS

Since 1993, the St. Augustine Wellston Center has served the poor and hungry in and around the Wellston City area.

Each year, to honor the dignity of our guests, we welcome those we see the most to our Christmas Store. Over three decades, volunteers and guest families have built strong bonds together, celebrating the joy of Christmas.

HOW THE CLUB WORKS

Families that receive regular assistance from the Wellston Center are eligible to be invited to shop in the Christmas Club.

For two days in December, we transform our Center into a magical shopping experience for our invited guests. We provide brand-new, unused, sealed gifts for families to put under the Christmas tree. All gifts are priced at about 10% of the original cost.

Our guests are grateful to be able to do their own shopping within their limited budget and are more than happy to pay the small amount charged to help us continue this program.

But we need your help! Each year our wonderful donors purchase new gift items from the suggested list and each year, volunteers help setup the store and serve our guest families while the store is open.
